

FRIDAY LUNCH FUNDRAISER PROGRAM

Beginning 9/16, St. John's will offer either Papa John's Pizza or Chick-Fil-A for purchasing for Friday lunch. Students should give their orders to their Homeroom teachers on Thursday mornings and bring in their money on Friday. The payment will be made at the time that students get their lunch, so please do not have your child turn his money in to his teacher ahead of time. If your child orders food items on Thursday, he will be responsible for paying for them on Friday. We will be keeping track of each order, so please be sure to share with your child whether or not he is permitted to order. There will be very few leftovers on these days; if your child forgets to order or to bring a lunch, we will do everything we can to provide food. An I.O.U. will then be sent home to notify you of the borrowed lunch money. On days where no food is available, your child will be required to call home to get a lunch. No drinks are provided unless students purchase the milk program. The money raised for this will go towards our International Travel Program.

If you would like to pre-pay for the year for these lunches, please call Mary Mayes at 301-774-6804, ext. 118, or for additional information, e-mail her at mary.mayes@stjes.org. The following delineates the cost for each ordered item:

Pizza - \$2 per slice – cheese or pepperoni

Chick-Fil-A - \$5 each for 8 nuggets or chicken sandwich with a side snack such as cookies, chips or veggies.
